Task dashboard

ARC https://www.arcancersupport.ie/volunteer-dashboard/

The wireframe illustrates a user interface for a 'Task dashboard' on the website <https://www.arcancersupport.ie/volunteer-dashboard/>. The layout is organized into several sections:

- Top Left:** A search bar with placeholder text 'search' and a magnifying glass icon. Below it are four dropdown menus and a small square button.
- Top Right:** A 'Do' button with a person icon and the text 'xxx'.
- Left Column:** Contains three rectangular boxes. The top one has a left arrow icon. The middle one contains a location pin icon. The bottom one contains a location pin icon.
- Middle Column:** Contains two rectangular boxes. The top one has a wavy line above it and contains placeholder text. The bottom one has a wavy line above it and contains a checkmark icon.
- Bottom Left:** Contains a large speech bubble icon with three smaller icons (speech bubble, heart, phone) and their corresponding input fields.
- Bottom Right:** Contains a map with a green shaded area and a yellow boundary line.
- Bottom Navigation:** Includes social media icons for Facebook, Instagram, LinkedIn, YouTube, and X, along with a telephone icon and a small text area.

Throughout the wireframe, there are numerous handwritten wavy lines and placeholder text ('mm mm mm mm mm') used to indicate where content or design elements will be placed.

Volunteer coomunity

The wireframe depicts a website layout for 'Volunteer coomunity'. At the top, there's a header bar with the text 'ARC' and navigation icons. Below it is a search bar with placeholder text 'search' and dropdown menus. To the right of the search bar are a 'Do' button and an 'xxx' link. A left arrow icon is positioned on the left side of the main content area.

The main content area features several decorative elements: two crossed diagonal lines forming an 'X' shape, two wavy lines, and a row of five icons (two wreaths, a speech bubble, a ribbon, and a star) arranged in two rows of three and one.

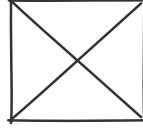

Below these are two rectangular boxes containing placeholder text and user icons. A horizontal line with a wavy line follows. Further down is a large rectangular box with placeholder text and a user icon, followed by a horizontal line with a wavy line and a set of navigation arrows (left, right, up, down).

The bottom section includes a footer with social media icons (Facebook, Instagram, LinkedIn, YouTube, X), a contact form with placeholder text, and a map showing a green polygon and a yellow boundary line over a grid.

Share my story

The wireframe sketch depicts a web page with the following layout:

- Header:** A navigation bar at the top includes a logo (ARC), back and forward arrows, a refresh icon, and a URL bar containing the address <https://www.arcancersupport.ie/volunteer-share-your-story/>.
- Left Sidebar:** Features a search bar with placeholder text "search", four dropdown menus, and a "Do" button with the text "xxx".
- Main Content Area:** Contains two large rectangular input fields, each preceded by a wavy line icon.
- Upload Section:** A dashed rectangular area contains a cloud icon with an upward arrow, a small horizontal input field, and a larger empty input field below it.
- Footer:** Includes a logo, two columns of social media links (Facebook, Instagram, LinkedIn, YouTube, Twitter), and a map with a green shaded region and a yellow boundary.
